

IMPACT2C: GA

14. - 16. November 2012, IIASA

November, 14 Wednesday

- 09:30 – 09:45 **Welcome, IIASA**
- 09:45 – 10:00 **The first year of IMPACT2C: overview**
Daniela Jacob
- 10:00 – 10:15 **Administrative issues**
Hans-Jörg Isemer
- 10:15 – 11:00 Dissemination Strategy & Discussion**
Michaela Schaller

11:00 – 11:15 Coffee break

Impact, vulnerability and adaptation: Africa, Bangladesh, Maldives

Status reports

- 11:15 – 11:30 WP2, *MeteoF*
- 11:30 – 11:45 WP12, *ENEA*
- 11:45 – 12:00 WP13, *WU*
- 12:00 – 12:15 WP14, *SOTON*

12:15 - 14:00 Lunch

- 14:00 – 14:30 Climate available information over vulnerable areas based on past experiments
ENEA

- 14:30 – 15:15 The current climate variability, impacts and vulnerability of the Niger River Basin
Andre Kamgaf

15:15 – 15:30 Coffee break

- 15:30 – 16:00 Dynamical downscaling for non-European regions
UniRes/MeteoF

Identification of needed data from other WP

- 16:00 -16:30 WP12
- 16:30 – 17:00 WP13
- 17:00 – 17:30 WP14

18:00 End of day 1

November,15 Thursday

Climate scenarios for Europe

- 09:30 – 09:45 WP2: Status report, *SMHI*
- 09:45 – 10:00 WP4: Status report, *KNML*
- 10:00 – 10:15 WP5: Status report, *HZG*
- 10:15 – 10:45 Regional simulations for Europe & Mediterranean
ENEA & CNRS-IPSL
- 10:45 – 11:00 Identification of robust climate change pattern for Europe in pre-existing scenarios for Europe: first results
CNRS-IPSL
- 11:00 – 11:15 Coffee break
- 11:15 – 12:15 Mandatory climate simulations: *basic subset of mandatory simulations*
HZG/UniGraz

12:30 - 14:00 Lunch

Climate information for the impact modeling activities

- 14:00 – 14:30 Assessment of climate information for the impact modeling activities
UniGraz
- 14:30 – 14:45 Methods for decision making under uncertainty: review
- 14:45 – 15:00 Socio-economic scenarios for sectoral analysis for new scenarios: review

15:00 – 15:15 Coffee break

Impact and costs

- 15:15 – 15:30 WP6: Status report, *WU*
- 15:30 – 15:45 WP6: modelling strategy, *WU*
- 15:45 – 16:00 WP7: Status report, *IIASA*
- 16:00 – 16:15 WP7: modelling strategy, *IIASA*
- 16:15 – 16:30 WP8: Status report, *CNRS-IPSL*
- 16:30 – 16:45 WP8: Definition of the air quality modeling strategy, *CNRS-IPSL*

18:00 **End of day 2**

November,16 Friday

Vulnerability and risk assessment

09:30 – 09:45 WP9: Status report, *JR*

09:45 – 10:00 WP10: Status report, *IIASA*

10:00 – 10:30 Building infrastructure dataset
JR

10:30 – 11:00 Climate vulnerability and risk: available datasets and models
IIASA

11:00 – 11:15 Coffee break

11:15 – 12:15 Cross sector assessment and cross-cutting issues

12:30 - 14:00 Lunch

14:00 ***The End***
